Grace and Gratitude: As Presbyterians, we are a people rooted in the grace of Jesus Christ. It is our gratitude for God’s grace that moves us to join in God’s mission in the world, with ministries of love and justice, reconciliation and peace.

Generous gifts to the *Presbyterian Giving Catalog* are signs of our gratitude: feeding the hungry, comforting the brokenhearted and sharing our faith with young and old. By joining our gifts together, however large or small, we expand our witness to God’s gracious and abundant work in the world.

A Prayer: *God of generosity and hope, with deep gratitude we thank you for the many ways we are called to be stewards of your abundant gifts. For those who share from their resources to offer support to others across the globe, we thank you. Bless their gifts and bless their giving, that all may know your justice and joy, which we experience through Jesus Christ our Lord. Amen.*

— Rev. Dr. John Wilkinson,
Director, Ministry Engagement and Support,
Presbyterian Church (U.S.A.)

You don't have to be a grown-up to be important in the lives of people around the world or in your own neighborhood.”*

Leader, Hope Presbyterian Church,

Discover how a small women-owned bakery is making a big impact in rural Malawi

The Kasupe Women’s Bakery, a partner of the Presbyterian Hunger Program and supported, in part, by gifts made through the Presbyterian Giving Catalog, provides much-needed income for women while also producing a variety of nutritious, healthy food for their community. The bakery doesn’t just empower women by employing them as bakers — it is bolstering the production of local farmers and strengthening the economy by sourcing local ingredients for their baked goods.

Because of this livelihood project, 109 women are shareholders in the bakery, earn \$11 per month, and have more financial resources to support their families, which is improving access to education, healthcare and basic necessities like food and clothing. The progress they’ve made is a source of hope and inspiration for the resilient women of Kasupe. The project is designed to grow alongside the community, offering increased opportunities as production expands. Our ultimate goal is to continuously move toward sustainable and fair wages.

“The Kasupe Women’s Bakery hasn’t given me everything, but it is putting food on the table,” said Tinenenji Kalamba, a bakery shareholder.

This multifaceted project is a testament to the power of faith and community. Read more stories of impact to find a gift that speaks to your heart at presbyteriangifts.org.
